

“Believe me, my young friend, there is nothing.. absolutely nothing.. half so much worth doing as simply messing about in boats”.

“Simply messing about in boats..in or out of ‘em it doesn’t matter, that’s the charm of it. Whether you get away, or whether you don’t; whether you arrive at your destination or whether you reach somewhere else, or whether you never get anywhere at all, you’re always busy, and you can do it if you like, but you’d much better not’.
